

FIRE HOG GLOVE

Structural Firefighting

- Cowhide suede leather stays soft and provides low water absorption when soaked repeatedly
- Non-restrictive knuckle band provides an extra layer of protection in high abrasion area
- Smooth grain cowhide leather back
- Extra layer of suede leather sewn in the thumb/palm interface provides extra grip and extended wear
- FR Modacrylic liner provides smooth feel
- Exclusive breathable adhesive used to secure the liner. Liner guaranteed not to pull out.
- Wristlet Style: 4" black Nomex® wristlet with leather pull patch
- 100% water proof, viral/chemical penetration resistance and blood borne pathogen protection
- Wide sizing available
